This Infinitrade Financial Inc. ("INFINITRADE") End User License Agreement ("EULA") accompanies the Infinitrade Trading Platform and related programs and rules ("SOFTWARE"). The term "SOFTWARE" shall include any upgrades to the program, expansions, modified versions, or updates released by Infinitrade Financial, as well as printed materials, "online" or electronic documentation, and Internet based services related to the SOFTWARE. By installing and/or using the SOFTWARE you are agreeing to be bound by the terms of this End User License Agreement. You assume full responsibility for the selection of the SOFTWARE to achieve any intended results. You agree that INFINITRADE will not be liable for any failure of the SOFTWARE to make money, for any damages caused by the SOFTWARE, either directly or indirectly, or for any other losses, damages, or claims arising from the use of this SOFTWARE. An amendment or addendum to this EULA may accompany the SOFTWARE and any related materials and/or updates. If you do not agree to these terms and those as specified below, you must immediately stop using the SOFTWARE and erase all materials that comprise this SOFTWARE from your system; you may return this SOFTWARE to the place of purchase for a refund, if applicable.

1. LICENSE GRANT

INFINITRADE grants you a nonexclusive license to use this software provided you comply with all terms and conditions of this EULA:

1.1 Installation. You may install, use, display, and access one copy of the SOFTWARE on a single personal computer or other device located within your home or office for each device and/or location ("SEAT") you have been licensed to use. "Use" means loading, storing, installing, executing, or displaying the SOFTWARE. "You" means the company, entity, or individual whose funds are used to pay the SOFTWARE licensing fee(s). Only one user is allowed to access each SEAT. If you install the SOFTWARE on a multi-user platform, network, or device which emulates multiple computers or devices, you must purchase enough licenses or SEATs to accommodate each user who accesses this SOFTWARE.

1.2 Mandatory Activation. You must activate the SOFTWARE via the Internet before being allowed to access the full functionality, or the functionality your license permits of the SOFTWARE. You may also need to reactivate the software from time to time if your computer or device hardware changes, or you make certain alterations to the SOFTWARE. INFINITRADE reserves the right to monitor your SOFTWARE installation parameters to enforce the terms of this EULA, and to require the activation of this SOFTWARE at any time if INFINITRADE determines that you may be using an unlicensed version of the software. If you have not activated this SOFTWARE or are using an unlicensed version of the SOFTWARE you are not allowed to install or update the SOFTWARE. If your installation required a re-activation, the SOFTWARE will be limited to operating in a reduced functionality mode. You agree that INFINITRADE does not assume any liability for losses arising from the SOFTWARE in these instances.

1.3 License Sharing. You may not sell, transfer, or otherwise make available any license for the SOFTWARE or access to any SEATs granted by the SOFTWARE to any other company, entity,

or individual other than that which originally purchased the license(s) for the SOFTWARE. You may not make any licenses or SEATs available for use by third parties, including via storage devices, networks, or other communication or software sharing systems. Permitting the use of your SOFTWARE, licenses, or SEATs by third parties will result in the termination of your rights to use the SOFTWARE.

1.4 Legal Use. You agree to not use the SOFTWARE for any purpose which is illegal under international or local law. You agree that you will not reverse engineer, decompile, or disassemble the SOFTWARE or permit the circumvention of any copy-protection techniques used in the SOFTWARE. In addition, you must indemnify and defend INFINITRADE from and against any claims or lawsuits, including attorney's fees that arise from or result from your use of the SOFTWARE in a manner that violates any of the terms of this EULA or any other License agreement relating to the SOFTWARE.

2. NETWORK SERVICES

2.1 Internet-Based Features. The SOFTWARE contains features that require an Internet connection to operate. You are personally responsible for establishing and maintaining any network connectivity, including but not limited to an Internet connection and a connection to your Forex Broker's server, the INFINITRADE servers, and any other Internet or network-based resource required for operating the SOFTWARE. You agree to indemnify INFINITRADE against any losses incurred as a result of Internet or network services outages, or damages caused by third parties or their agents over the Internet or associated networks against your SOFTWARE, computer or device running the SOFTWARE, or the services offered by INFINITRADE or your Forex Broker.

2.2 Rental/Commercial Hosting. You may not rent, lease, or otherwise make available the use of the SOFTWARE to third parties. You must immediately notify INFINITRADE in the event that your license information has been compromised or stolen.

3. RESERVATION OF RIGHTS AND OWNERSHIP. INFINITRADE reserves all rights not expressly granted to you in this EULA. The SOFTWARE is protected by copyright and other intellectual laws and treaties. INFINITRADE or its agents own the title, copyright, and other intellectual property rights in the SOFTWARE. The SOFTWARE is licensed, not sold.

4. RISK WARNING AND WAIVER OF EXPECTATION

4.1 Risk Warning. Trading foreign exchange on margin carries a high level of risk, and may not be suitable for all investors. Before deciding to trade foreign exchange you should carefully consider your monetary objectives, level of experience, and risk appetite. You should expect to lose money and risk only those funds that you can afford to lose. The possibility exists that you could sustain a loss of some or all of your deposited funds and therefore you should not speculate with capital that you cannot afford to lose. You may also be liable for losses that exceed the amount of margin that you post. You should be aware of all the risks associated with foreign exchange trading, and seek advice from an independent advisor if you have any doubts. Past returns are not indicative of future results.
